What's Happening?

Happy New Year! My, my, my, God truly blessed us mightily in 2018 and I'm so hopeful for 2019. Beginning on February 9th, our ministry will offer tutoring to all students grades K-2. Please see Sis. Shamira Hayes if you are interested in assisting. Also on February 23rd, the youth will be going skating. Please see Sis. Ronneka Peacock if you would like for your child to attend. As always, I want continue to remind all parents that we have Youth Bible Study each and every Wednesday at 7:00 p.m. in the Youth Community Center. Youth may come at 6:30 to complete homework before bible study begins.

Youth in the Spotlight: Ahmad Tillery

Ahmad Tillery is an 8th grade, honor roll student at Mckee Academy of Technology. He is the son of Dorthila and Lamont Tillery Sr. He enjoys cooking, watching TV, and playing video games. Ahmad is a very athletic young man as he likes playing baseball and running track. He has a great entrepreneur spirit as he recently invented a robot named "Godspeed 5000". It teaches the user efficient methods and techniques to run faster. Ahmad has been a member of New Mt. Zion since 2017 and has thoroughly enjoyed every minute of it. In addition to being a member of AOJC, Ahmad attends Sunday School and is a member of the Youth Choir. His future goal is to be a sports commentator.
