What's Happening?

I would like to begin by giving a HUGE thank you to Shamira Hayes for kicking off our "Better Minds Tutoring Academy". I'm asking all parents to bring their children out every 2nd and 4th Saturday of the month (from 10:00 a.m.-12:00 p.m.) to engage in rich and purposeful tutoring that is directly aligned with our Common Core standards. Spring break is on the way! I pray that each of you have an amazing and safe time.
