Youth in the Spotlight:

Selena Smith

Selena is the daughter of Tonya Smith. She is a Senior at Freedom High School where she has maintained a 3.0 GPA. Her goals and aspirations are to attend Florida A&M University to major in Criminal Justice. In her spare time, Selena enjoys creating slime experiments and relaxing. It has been a pleasure to watch Selena grow into the young lady she is today and I thank God for blessing her with the gift of dance to glorify his name. Jeremiah 29:11 says, "For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future." Shine your light where every you may go, because your future is bright.

What's Happening?!

We had our "Minute to Win it Challenge" yesterday and needless to say, it was awesome! Our youth bible study begins on May 16th at 7:00 p.m. As a reminder, we are still in the process of getting ready for the National Baptist Convention in June. **Sister Pat Williams** will be collecting money at the end of each service in the life center until the **June 10th deadline**. Also, if you are interested in sponsoring/ donating a youth's traveling cost, meal ticket, or making a donation to support this trip, please see either myself or Sister Pat Williams.

Thank you!

Spiritual Thought:

Children are great imitators, so give them something to imitate.

"But Jesus called the children to him and said, "Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these"
